

SHAUN JOHNSON MUSIC

Shaun Johnson Big Band Experience | *Album Reviews*

"He's poetic and deliberate with his lyrics and these lead into infectious hooks. He has this ability to give emotions power and meaning for those who may not completely understand and builds on that meaning for those that do. He is able to make these strong feelings tangible, like you can hold it in your hand." - *Indie-Music.com*

"It's a cool creative collision, One where the vocal style of the jazz age and the big band ethos is pushed through a modern creative filter. The result is something that will appeal to the existing fan of that nostalgic sound as well as to those from the more discerning edge of the mainstream." - *Dancing About Architecture*

"With a masterful voice and exquisite instrumentals, Shaun Johnson proves that an artist can excel in multiple genres in the music industry. Still Big Band but now also Singer-Song writer, a delightful mix of genre-bending songs await Johnson's fans and new audiences alike." - *Modern Mystery*

"Shaun Johnson + the Big Band Experience are premiering a new and emotional single you won't want to miss. With his timeless yet modern style, Shaun will draw listeners in and they won't want to leave. His smooth vocals mirror that of a youthful Sinatra and a young Buble, making this artist a must-hear." - *The Indie Source*

"...He combines his jazz and pop fused singing with a big band to create a new fusion of big band music. Shaun modernizes the big band genre, adding a pop feel while also tipping his hat to legends." - *Independent Artist Buzz*

"Shaun Johnson + the Big Band Experience is a rare newcomer to traditional pop...fusing a big band spirit with an inventive edge...at once more risky than Buble, more modern than Sinatra. Shaun, an Emmy award-winning crooner (and lead singer of the internationally known vocal group, Tonic Sol-fa) indelibly stamps vocal jazz and swing with a contemporary punch - to the delight of both traditionalists and newcomers - emerging as an original voice in the continuing tradition of the American singer." - *Aesthetic Magazine*
